CONCLUSION

We seek to reach one more country, one more people group, one more person, so that one more decision is made for Christ. There are an estimated 2.75 billion people in the world who do not know Jesus, 6,642 people groups who have not heard the name of Jesus.* These people need a chance to choose. As a follower of Christ, you are commanded to help the lost meet the Savior. With every birth, there is a new soul waiting for an introduction to Christ.

I AM ONE

One by one.

**One more
country.**

**One more
people group.**

**One more
person.**

They have names and souls.

2.75 billion

UNREACHED PEOPLE

They are unreached people—2.75 billion on the earth. Unreached people are those with no existing indigenous community of believing Christians with adequate numbers and resources to evangelize this people group.*

Even though millions have met Jesus, there is still an estimated 41 percent of the world's population who do not have a personal relationship with Christ.*

GET INVOLVED

We are commanded in Matthew 28:19 to “go and make disciples of all nations.” The Church of the Nazarene has lived out this command for more than 100 years, and JESUS Film Harvest Partners has come alongside hundreds of people seeking to reach others in their cultures through the JESUS Film and other tools. You can help reach one more person through praying, discipling, giving, and educating.
